Battery Exchange Sensors

Replacing existing Sensors that are over 4 years old for new Sensors with new batteries is inexpensive and easy.

Simply return your old Sensors via First Class Mail with this form printed and filled out. Include a check or credit card information (number, expiration date and 3 or 4 digit code on the back or the front of the card). You will receive brand new Sensors, with updated technology, along with new batteries.

Free shipping for 4 or more Replacement Sensors
For orders under **\$140.00**, add **\$12.00** shipping charge
For Canadian orders: Call/e-mail for a quote (approx. **\$20-\$40**)
