## Battery Exchange Sensors

Replacing existing Sensors that are over 4 years old for new Sensors with new batteries is inexpensive and easy.

Simply return your old Sensors via First Class Mail with this form printed and filled out. Include a check or credit card information (number, expiration date and 3 or 4 digit code on the back or the front of the card). You will receive brand new Sensors, with updated technology, along with new batteries.

### Free shipping for orders over \$69!

For orders under \$69, add \$3.50 shipping charge.
